Want to join the ranks of 50 Cent, Eminem, Mos Def, Jay-Z, Nas, Tupac and possibly Biggie? Well, the answer to your prayers may be in this rhyming-made-easy text. If you have ever wondered what rhymes with tripping (dripping, flipping, stripping, whipping and equipping, to name a few), look no further than *The Complete Rhyming Dictionary* from 21st Century Reference. With over 60,000 entries and a list of 43 rhyme-less sounds to avoid, this is an essential guide for rappers, song writers, poets and students. For good measure we've thrown in the critically-acclaimed *Freestyle: The Art of Rhyme*, a film by Kevin Fitzgerald AKA DJ Organic. The seventy-five minute documentary "provides an explosive inside look into the creative framework of hip-hop culture and the improvisational art of freestyle... where MC's express themselves by creating rhymes in the moment."
