Faryl and Orion slap
Game Skins

Faryl and Orion are a gaming couple. They express their adoration for each other like most couples - sharing bath-room space, enjoying exotic food together, gaming, wrestling, and of course, slappin' skins. Well then, what better apparel to drape themselves in than T-shirts made for gamers, by gamers? Game Skins (www.game-skins.com) offers a variety of cutting edge designs that'll definitely earn you a head nod from a fellow gamer or maybe even land you in the perfect gaming relationship. Just look at those two lovebirds, aren't they the damndest? -AQC
